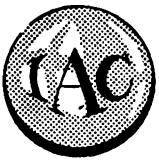
Our Three Services

School Fees The burden of affording school fees out of income is avoidable by making provision well in advance.

Under one of our schemes, you make advance payments out of income, with the advantages of built-in Life cover. Under our Trustee Scheme, you (or a grandparent) provide a capital sum.

School Fees Insurance Agency Ltd is a company within the Insurance Advice Centre specialising in this field.



Mortgages Finding the best source of a mortgage and negotiating it at a reasonable rate: this is the essence of the matter.

We offer free authoritative advice on all mortgage matters. Our knowledge of the market enables us to obtain the maximum advance on different kinds of property.

We can explain the various forms of mortgage (including the larger Endowment-type) and the advantages of each.

Investment Many forms of saving and investment do not keep pace with inflation. The best hedge against this ill is undoubtedly Investment Bonds.

But they are bewildering in number and variety. How on earth does one choose?

Objective advice on all forms of investment is offered by another Insurance Advice Centre company, Husher DeRoussy & Hastings Ltd.

NOTES

1. This edition of the Army List Part I is corrected to include promotions, appointments, etc. promulgated on or before 14 February, 1975.

The Gradation List

2. The Gradation List shows regular officers of the British Army under their substantive rank and in order of seniority. With effect from 1 January 1973 officers commissioned on the same date and having the same seniority have been gazetted to their regiments and corps in alphabetical order, and all officers currently serving on the Active List who are given a common seniority date on promotion are being gazetted alphabetically in their new rank. Otherwise, where officers of the same rank were gazetted to that rank with the same date their precedence is shown in accordance with the date of their next lower rank. Regular Officers of the quartermaster category, Gurkha commissioned officers and Queen's Gurkha officers and regular officers of the Royal Army Chaplains' Department, Queen Alexandra's Royal Army Nursing Corps and the Women's Royal Army Corps are not included in this list; the seniorities of these officers are shown in their corps and regimental lists. Officers of the Royal Marines are listed separately.

3. Entries in the Gradation List are not indexed; they may be located by referring to the seniority dates shown in the corps and regimental lists.

Royal Armoured Corps and Infantry

4. For corps and regiments bearing Standards, Guidons and Regimental Colours the badges, devices, distinctions and mottoes borne thereon are shown after the titles of regiments, the "centre" badge being printed in bold type. In the case of other corps and regiments the badge, etc. shown after the title is the cap badge or shoulder belt badge.

5. The honorary distinctions and battle honours awarded to regiments of the Royal Armoured Corps are listed following the corps nominal roll; those of Infantry regiments are listed on the Infantry regimental pages. Those printed in bold type are borne on the Standards, Guidons or Colours of existing regiments or, in the case of regiments having no Standards, Guidons or Colours, on their appointments. Such battle honours of the Great War and Second World War are borne on the Queen's Colour, the remaining battle honours shown in bold type being borne on the Regimental Colour. Foot Guards bear all battle honours shown in bold type on the Queen's and Regimental Colours.

6. Notes on amalgamated Infantry regiments follow the divisional rolls. The figures in brackets after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

7. **Symbols, Degrees and Professional Qualifications.** All entries include honours and awards. All symbols, degrees and professional qualifications are shown in corps and regimental lists except that honorary degrees are shown only in respect of General officers and the number of professional qualifications shown for any officer is limited to two. Symbols, degrees and professional qualifications are shown in the Gradation List for officers of the rank of Colonel and above. Symbols are shown in entries relating to civilians throughout the Army List.

8. **Chartered Engineers.** Members of certain Engineering Institutions have been granted the use of the title "Chartered Engineer" (C.Eng.). The members concerned are those entitled to the following brief titles: F.I.C.E., M.I.C.E., F.I.Mech.E., M.I.Mech.E., F.I.E.E., M.I.E.E., F.I.Prod.E., M.I.Prod.E., F.I.E.R.E., M.I.E.R.E. In this publication the C.Eng. has been omitted in all cases, for reasons of space, but should be understood to be inserted as follows: Capt. A. B. Smith, B.Sc., C.Eng., M.I.Mech.E.

9. **Indian Army Associations.** A list of addresses of secretaries or representatives of associations connected with the Indian Army (pre 1947) and Auxiliary Force (India) is maintained at the National Army Museum, the official museum for the Indian Army. Correspondence should be addressed to:—

The Director, National Army Museum, Royal Hospital Road, Chelsea, S.W.3. (Tel.: 01-730 0717).

10. Communications on officers' personal entries in the Army List should be addressed to the Ministry of Defence, AODO, Stanmore, Middlesex, HA7 4PZ. Communications from officers about their personal entries should be sent through commanding officers. Officers who succeed to peerages, baronetcies or courtesy titles or who change their names are to notify the Ministry of Defence, AODO, Stanmore, so that official records, and the Army List, may be corrected.

11. Communications on other matters should be addressed to the Ministry of Defence OS(E)AL, Stanmore, Middlesex, HA7 4PZ.

12. Part II of the Army List contains an alphabetical list of non-effective officers in receipt of retired pay; Queen Alexandra's Imperial Military Nursing Service (retired); miscellaneous appointments; Warrants and Regulations. Part III (not on sale) contains the biographical list of officers.

Professional and Executive Recruitment

Officers holding Regular (including Short-Service and Extended Service) Commissions who are about to retire or have retired and wish to obtain employment are invited to enrol with the Professional and Executive Recruitment Service. A nationwide network of some 40 offices located in London and the main provincial centres handles large numbers of vacancies in commerce, industry and the public sector and can provide information about employment opportunities available locally and in other areas.

There is also available at 44 centres of population throughout the country, an Occupational Guidance Service for people who wish to take advice about their future occupation. It aims to get individuals to consider carefully their abilities, circumstances and inclinations and to identify jobs which will match these characteristics.

Further information about these two services can be obtained from any Employment Office.

H.M. THE QUEEN

PRESIDENTS

Admiral Sir Gerald Gladstone, GBE, KCB
Field Marshal Sir Geoffrey Baker, GCB, CMG, CBE, MC
Marshal of the Royal Air Force Sir John Grandy, GCB, KBE, DSO

OBJECT. The object of the Association is to relieve distress among all those who have at any time held a Commission in Her Majesty's Forces (including the Women's Services and Nursing Services) and among their widows and dependants.

RESETTLEMENT AND EMPLOYMENT. The Association will assist ex-officers who are unemployed to find suitable employment. As regards officers leaving the Services it is linked with the Regular Forces Resettlement Service and works in close co-operation with the Ministry of Defence and the Department of Employment and Productivity. Officers may seek advice from the Resettlement and Employment Department at any time, and are advised to do so well in advance of their retirement. They will not however be registered and put in touch with potential employers until they are within three months of their release leave.

FINANCIAL HELP. Consideration will be given to assisting ex-officers, their widows and dependants who are in financial difficulties.

EDUCATION. In cases of hardship due to such causes as War Disablement or the death of a parent help may be considered towards school fees.

PENSIONS. Advice is given on questions concerning Service and War Disability Pensions, and the pensions and allowances of officers' widows and children. Assistance is given in the preparation of Appeals for the grant of War Disability or War Widows' Pensions. Free representation is arranged where such cases are taken to the Pensions Appeal Tribunals.

HOMES FOR THE AGED AND CONVALESCENCE. The Association runs a Country Home at Bishopsteignton in South Devon for elderly and lonely ex-officers with low incomes. Ex-officers of all three Services are eligible for admission provided they are not in need of constant medical and nursing care. It also runs a bungalow estate at Leavesden in Hertfordshire for disabled ex-officers and their families.

A Register of Homes for the elderly throughout the United Kingdom suitable for ex-officers and their wives or widows is maintained and assistance will be given to such persons to get into such Homes and, if necessary, with their fees. It has rights of nomination to certain Homes. Help will be given to ex-officers and their wives or widows to obtain temporary accommodation in Convalescent Homes, and, if necessary, with their fees. The Scottish Branch of the Association runs a Nursing Home for ex-officers in Edinburgh.

GENERAL.

The Officers' Association was started in 1920, it operates world wide and is run very largely by Honorary Workers. It is financially supported by the Services Benevolent Funds including the King George's Fund for Sailors, the Army Benevolent Fund and the RAF Benevolent Fund and it receives the officers' share of the annual Earl Haig Poppy Day collection. It welcomes donations, particularly covenanted donations, from ex-officers who are in a position to help and also hopes that they will bring the services of the Association to the notice of less fortunate ex-officers and officers' widows who are in need.

H.R.H. PRINCESS ALEXANDRA,
THE HON. MRS. ANGUS OGILVY, G.C.V.O.

Chairman:
General Sir Charles JONES, *G.C.B., C.B.E., M.C.*

The School was founded in 1855 for the maintenance and education of daughters of soldiers, with particular emphasis on girls who had lost either both parents or one parent. This still remains the priority for entry today and financial help is available from service Benevolent and School Funds for such girls. An important function of the School now is however to provide continuity of education for the daughters of serving soldiers and the majority of girls now at the School are in this category. The School is no longer a teaching establishment, academic education taking place instead at selected Inner London Education Authority Schools, Normal entry ages are between 6–11. Older girls are however accepted where special reasons exist and if suitable secondary school places can be found for them, but it is in the best interests of parents and girls for girls to join before they start secondary education. Most girls leave at about 16–17 years of age but girls academically qualified can remain to work for and take their 'A' level examinations.

All enquiries about vacancies should be sent to the Secretary:

KING EDWARD VII'S HOSPITAL FOR OFFICERS

SISTER AGNES—FOUNDER

Incorporated by Royal Charter

BEAUMONT HOUSE, BEAUMONT STREET LONDON, W.1.

This Hospital, founded by Sister Agnes (Miss Agnes Keyser) in 1899 in her own house, 17 Grosvenor Crescent, was destroyed by enemy action in January 1941, and the present building, Beaumont House, Beaumont Street, London, W.1, was opened in 1948 by Her Majesty Queen Mary. In 1968/69 Beaumont House was enlarged and the Hospital nearly doubled in size. There are now 80 beds.

All officers of the three Services (including women officers) serving and retired, who have held regular or temporary commissions, their wives and widows and children between 4 and 18 years of age are eligible for admission. The Hospital has both private rooms and small wards.

The Council has as its object the provision of the best medical and surgical facilities at the lowest possible cost. Serving officers are entitled to free nursing and maintenance in the shared rooms. Otherwise patients are asked to pay at the rate of £98 a week for a private room or £63 a week for a shared room or a ward bed. These charges do not include professional fees but the ability of the patient to pay is always considered and there is a generously administered Samaritan Fund for those in straitened circumstances. Where, however, through insurance or because he can afford it, a patient can pay a sum nearer to the actual cost to the Hospital of his maintenance, now £161 a week, this is much appreciated.

The hospital has its own Consultant Staff, whose fees are a matter for personal arrangement between the patient and Consultant concerned. It is necessary for all patients to be placed by their general practitioners (who may still continue to attend them) in the care of a member of the Hospital's Consultant Staff, a list of whom will be sent to the patient's doctor on application. The Hospital has its own Resident Medical Officers, X-ray, Pathology and Physiotherapy Departments.

Whilst it is not necessary to subscribe in order to use the Hospital, Sister Agnes's is outside the National Health Service and therefore entirely dependent on voluntary aid. Subscriptions, donations and covenants are the mainstay of our income and detailed information can be obtained from the Appeals Secretary, Air Chief Marshal Sir Edmund Hudleston, G.C.B., 6 Buckingham Place, London, S.W.1.

WE, THE LIMBLESS, LOOK TO YOU FOR HELP

We come from both world wars. We come from Kenya, Malaya, Aden, Cyprus . . . and from Ulster. From keeping the peace no less than from war we limbless look to you for help. And you can help, by helping our Association. BLESMA (the British Limbless Ex-Service Men's Association) looks after the limbless from all the Services. It helps, with advice and encouragement, to overcome the shock of losing arms, or legs or an eye. It sees that red-tape does not stand in the way of the right entitlement to pension. And, for the severely handicapped and the elderly, it provides Residential Homes where they can live in peace and dignity.
Help BLESMA, please. We need money desperately. And, we promise you, not a penny of it will be wasted.
